

Chairman, Dr. R. N. Shetty. The institution was founded with a sole purpose of imparting quality education in Engineering, Technology and Management with a difference. RNSIT is a place where knowledge, friends for life, memories and a bright career. AchievementsEventsNoticeVTU STAT enabling students to excel in their career byAttracting quality Students and preparing them with achieve distinctions in various walks of life leading to outstanding contributionsImparting value aspiring youth and carving them into disciplined, World class Professionals with social responsibilityPromoting excellence in Teaching, Research and Consultancy that galvanizes ac among Faculty and StudentsExposing Students to emerging frontiers of knowledge in various Industry, Entrepreneurship, Higher studies, and Research & DevelopmentProviding freedom o providing an exceptional learning environment and a plethora of opportunities for students to gr The faculty members go above and beyond when it comes to mentoring the students. Their app nature and willingness to help outside the classroom has created an inclusive and nurturing lea experience.Khushi PaiDept. of CSEThe beautiful thing about learning is that no one can take it Technology has provided me with the best learning platform to pursue and develop my academ career goals. At every step, I have been fortunate to interact with many varied and motivated se minds be it my humble batchmates, supportive and approachable faculty or the insightful guest lecturers. I sincerely extend my gratitude to this institution that has offered me an arena of learning experiences and opportunities helping me in the growth of my confidence.Namrutha N prosper. RNSIT has always been a place where knowledge, innovation, opportunities & help ar happily to those who seek. Being a CSE student, I have had great 4years of my student life. No with the curriculum but also Tech events, cultural aspects and many more. The faculty and the have always had a fun and good rapport which made it much livelier. The amount of work and e shown for the students during placement by CSE dept has always been so helpful and re-assur always be grateful for all the support and guidance received at RNSIT!!Ganesh Babu JDevOps entrepreneurship. I express my sincere appreciation to the highly professional staff at ECE Dep

who enabled me to succeed. The friendly environment and the systematic approach made me a competent individual. I owe my success to ECE Department faculty, Principal and Director who guided and encouraged me.

**Karunya P3rd SEM ELECTRONICS AND COMMUNICATION ENGINEERING**

Electronics and Communication Engineering to pursue my Bachelor's is one of my best decisions. Here, at RNSIT, the department of Electronics and Communication is filled with professionals who have done their achievements in different fields of E&C, and thereby, they have a good knowledge of those subjects. The faculty members not only just concentrate on the academics but at the same time they inspire students to become innovative by regularly organizing technical colloquiums.

Nagendra H. K. Under the supportive faculties, I have witnessed our skill and competence rising to a zenith.. An exposure to a host of international tech and innovation competitions inspired us to expand our horizon of knowledge in my life, may it be on the academic front or even on a personal level. In a short span of time, the college has already produced exceptional results and continues to improve the quality of education it provides with each passing year.

**Deepak Shubham Bharadwaj Batch : 2017-2021**

Most of my life has been spent considering my technical, non-technical and personal growth. The teaching and non-teaching staff are extremely kind and have given me a hand-held support in every way they could to get me where I am today.

RNS Institute of Technology (RNSIT) established in the year 2001, is the brainchild of the late Chairman, Dr. R. N. Shetty.
